CONTINUING TEACHER EDUCATION DEVELOPMENT (CTED) SUBCOMMITTEE
Since Last Meeting:
• Co-presenters discussed for CTED Session Level II/III Instructors. Several names provided to the NBT Liaison and list narrowed down based upon availability.

At this Meeting
• A brief review took place regarding the decision to offer Chris Judah-Lauder to co-present with Paul Cribari for the 2020 AOSA National Conference. CTED was also authorized to communicate with Chris during conference regarding this presentation and we received a verbal affirmation of her interest to do so.
• Victoria Redfearn Cave would be taking point with Judy Barthwell regarding her upcoming presentations for movement teachers in 2020.
• Discussion took place regarding potential people to replace outgoing chair Matt McCoy to represent Basic. Two names emerged in discussions: Katie Traxler and Kristine Wolfe. (In a follow up communication, we found out that Katie is currently serving on CORS and as such our recommendation of Kristine Wolfe stands alone at this time).
Some discussion was made to ask for a job description for CTED members just to better understand the purview of the committee regarding future conference presentations.

**Future Issues**
- Following the CTED meeting in Salt Lake City, we were made aware of an offer made by Doug Goodkin to present at a future Level III Instructor session. Given Doug’s background and experience with traditions and repertoire not typically featured in CTED sessions, his offer will be considered in future meetings. It is also my (Matt’s) understanding that Doug received a response stating that the CTED presenters for Levels II/III have already been secured for 2020 and that his offer would be discussed further by the subcommittee at a later date.

**CURRICULUM OVERSIGHT AND REVIEW (CORS) SUBCOMMITTEE**

**Since Last Meeting:**

  - 8 requested more diversity in materials
  - 3 would like to have more regular communication throughout the year
  - Several individual comments worth noting: Building culture, responsive classroom, and Nicole Robinson
- Committee discussed:
  - Creating a quarterly email or newsletter to share an activity for each teacher area (B/M/R). Could begin with PDD selecting ideas from the B group to share with AOSA TEs after obtaining permission from submitting TE.
  - Suggestion for a TE session at conference to discuss how to diversify materials, how to approach teaching these materials, and appropriation
  - Website link to a bio for each TE on the list of approved educators (with an option not to participate) including where they are located, a brief bio, and what they are approved to teach
- Suggested Names to CI for new CORS members
  - Based on indications on TE/Course Director Survey
  - **Betsy Sebring** (Basic/Rec); **Diana Hawley** (Basic); **Matthew Stensrud** (Mov)
  - Other names available upon request
- Updating curriculum document format with consistent template
  - Karen Benson will create a template, CI and CORS will provide input
  - When ready, Carrie will hire someone to produce the documents
- TE Scope and Sequence Forms
  - Group B complete, Group C has started
  - Good feedback from TEs, especially from those completing the short form
  - Need to more effectively communicate the required Vita form in addition to the Scope and Sequence form
• Updating AOSA Curriculum Resources

  o Identified other possible curriculum materials that might need further review
  o Movement Resource team planning to meet in March
  o Glossary issue-One or Two? Could movement glossary be combined with curriculum glossary?
  o The movement glossary introduction has historical information that would be appropriate to include in the curriculum docs themselves.
  o Sarah is working to cut down the volume of words in the movement glossary by about half to be as a separate document than the overall glossary.

Future Issues:
• For next Skype Call Sunday March 22, 2020

BASIC TEACHER EDUCATION ASSESSMENT PANEL (BTEAP) SUBCOMMITTEE
Since Last Meeting:
• The committee met at conference to discuss the upcoming apprenticeship process
• In December the committee received the applications for 6 prospective apprentices.
  o Applications and materials were review by the committee
  o Committee met online to discuss candidates
  o The committee moved 4 of the 6 applicants to move forward to Phase II.
• The committee has received the Phase II materials for the 4 applicants and are in the process of reviewing the materials.
• Committee will have their results to the Education Director on March 1, 2020

Future Issues:
• The committee needs to discuss and recommend names for future committee members.
• Evaluate the apprenticeship process and make revisions and recommendations.
MOVEMENT TEACHER EDUCATION ASSESSMENT PANEL (MTEAP) SUBCOMMITTEE

Since Last Meeting:
- The committee received Phase 1 application materials for movement apprenticeship.
- The committee met and reported to Karen Benson that 3 out of 4 applicants were ready to move forward to Phase 2.
- The committee scheduled future dates to meet in anticipation of receiving Phase 2 materials.

At This Meeting:
- The committee met to discuss candidates for movement apprenticeship that moved on to Phase 2 of the application process.
- The committee came to a consensus and reported the results to Karen Benson.
- At this time, the committee is not recommending anyone for apprenticeship.
- The committee also suggests that Kate Webster rotate off and Jacque Schrader will become the next chair.
- This will allow for the committee to have one person who has been on for three years, one for two, and a new member next year and will start that cycle.
- The committee discussed concerns of word choice and elements of the rubric that they feel are ready to be revised.
- The committee set a date to meet again in April to discuss recommendations.

Future Issues:
- The committee set up another meeting in early April to reflect and review the application rubrics.
- After review in April, the committee would like to recommend its changes, if any, to the board to be considered for approval.
- The committee also recommends that every year following the application process, the committee review and refine the rubrics as needed.

RECORDER TEACHER EDUCATION ASSESSMENT PANEL (RTEAP) SUBCOMMITTEE

Since Last Meeting:
- We moved our one applicant to Phase 2 of the Apprenticeship process.
- We agreed to recommend Mona Mann to serve on this committee when Marie’s term is up in June. Paul and I will continue to serve. Paul is scribing this year; I will scribe for him next year (2021-2022), then finish my term. At that time, we would like to recommend Amy Fenton as my replacement. This provides continuity within the committee, leaving two previous members while adding one new member. This is the system that was originally presented to us.

At This Meeting:
• After scoring our applicant, the committee’s recommendation was to not approve the applicant for apprenticeship at this time. Scores and suggestions for improvement were sent to Karen Benson.

**Future Issues:**

• We noticed in the Recorder rubric (which we aligned to the Basic), under Teaching Children Lesson Plan, part of the assessment criteria would fit better with the Children’s Lesson Plan Video portion of the rubric, specifically the “feedback provided” language. We can’t tell what feedback, if any, was given to students in the lesson plan—we need to see it happening.

- Revised the revised JD and have NOW shared that with Karen Benson, Josh Southard, & Aaron Hansen
- OSEP received the data on the question ‘Do you plan to attend the subsequent Orff Schulwerk Teacher Training course next summer?’ and ‘Why or why not?’ (columns J and K respectively of the course evaluation spreadsheet) – from Karen and began to analyze this data

- Thank you notes to IS instructors & Level II instructors - Betsey will do all thank you notes

**Future Issues:**
- Professional Looking at OSEP creating a booklet/document that is an overview of the 3 levels – the document will have the intent that teachers will continue all 3 levels. This document could show the continuum of the curriculum over the course of 3 levels of teacher education – Josh will send out the sample booklet from Finland
- Send 2-3 questions to Karen to send out to all Teacher educators asking for their input on an AOSA curriculum continuum guide.
- Continue to analyze selected compiled data from course evaluations.
- Other than a list of possible advertising suggestions for course directors to advertise their programs, the marketing of summer courses should be left to the individual courses – look at some ongoing communication with teacher educators!
- “Growing With Orff Schulwerk” brochure

  o Region VI: Deb Navin
• Annual Report
  o Due Dates
    ▪ Deadline reminders for Annual Report, due May 15 (not June 1)
    ▪ Rosters can come in early (even now), so Anna can provide information back to chapters on how close they are with membership levels
    ▪ No longer need the early annual report due date (April 30) with change to recognition program
  o Attachments will include chapter board members’ national membership forms, chapter’s membership list, and Workshop Form, on which chapter’s workshop schedule will be listed for posting on the AOSA website
  o Changes/Additions to form
    ▪ Anna will move this toward the end (before the nominations)
    ▪ Consider moving membership roster due date to January, so this would allow more time to respond back. Putting this on the same date as grants/applications due dates will make it less for members to remember
• Chapter Recognition
  o Continue to remind/inform your chapter presidents of the new program. Suggest having the chapter offer one national membership scholarship! The new program was well received at the conference announcement.
    ▪ Workshop Reports: Chapters still need to fill these out, as they provide statistics and pictures for AOSA
    ▪ Consider discontinuing them so that chapters aren’t doing busy work if we don’t need the info
• Chapter Donation: Continue to encourage Chapters to donate

    - Consider a panel to help people hear more
    - Provide topics ahead of time for discussion, recommend to bring your questions
    - Discussed the idea of splitting into levels of presidential experiences so we can meet needs of different people
    - Time to thank presidents, show our gratitude to them. Opening song, story sharing, coffee?
    - Put up pages for presidents to post questions, answers, mingle around the room
    - Carrie recommends we consider having promotion of clinicians with emphasis on diversity materials
      - We can encourage the presidents to ask presenters to consider the materials they are including
      - How do chapters handle deciding/vetting presenters where questionable materials are brought to membership?
      - Could chapters add language to presenter contracts from the song selection statement so that they would have recourse in these situations?
    - Could we use Advisory time to provide diversity/inclusion sessions for chapter presidents? Will Nicole be at conference? This could also provide space for teacher educators that missed the last session.
      - Keep in mind that chapter presidents rotate out frequently, so this would need to be rotated in frequently without having to depend on Nicole.
- Noted we need to have a good sense of room layout and space so that noise is workable. Also minimize waste of time in transitioning from room to room
- Social Media
  - Keep the FB Chapter Leadership page active
  - Noted rotations and prompts for suggestions of what to post each month
- CLE Rotation Chart
  - CLE goes out on the 6th of the month
  - THANK YOU for keeping on top of this!
• Membership: National and Local Percentages chart
  o Anna shared this information:
    ▪ The second column is the number difference between local membership numbers between current year and previous year. For example Arizona reported 181 in 2017 and 152 in 2018, a difference of 29. The third column shows the percentage difference between the two years. For example, Arizona lost 16% (29/181) of 2017's local numbers. This information was added to the report when the first recognition program awarded points to increase in local numbers as well as national percentage. We'll figure out a better way to label those headings. This report has primarily been used internally at HQ for probably almost 15 years and not shared with the NBT. Since we decided to share it is just now time to label better so others can clearly identify what the data is.
• Directed to review “How to start a Chapter” document on the website document on the website
  o Look over this link to check for any needed updates. This is the document that has the June 1 typo.
• Discussed a question from the NJ Chapter about old banners
  o Keep it in the chapter- use to display at workshops, return to a founding member

Future Issues:
• Continue communication with chapter leaders
• Continue to recommend local leaders for national service
• Analysis of Annual Report information
• NBT Board Restructure
• Review “How to Start a Chapter”
