

AOSA Digital Mentor Program

Requirements for Potential Mentees

- Potential mentees must have a current AOSA membership.
- Applicants must have completed an AOSA approved level course (Level I, OR Level II, OR Level III) within two years of the application date.
- Applicants must have at least 1 year of teaching experience.
- Individuals must complete the online application by August 15 to be considered for the program.
- Upon approval of the application by the Post-Level 3 Committee, the mentee will be paired with a mentor and contact information will be provided to each participant.
- As they begin, the mentee and mentor have the opportunity to craft the goals, type of interactions, and schedule of the experience in a mutually agreeable fashion. This includes:
 - Expectations for a schedule of communication, observation, and interaction
 - Observation format – digital video or live Skype/FaceTime exchanges
 - Procedure for exchange of documents and feedback (lesson plans, written reflections, online discussion)
- Upon completion of the program, the participants will be asked to submit an electronic evaluation of their experience.
